Following your review, the Ethics Office, OGC, is planning to release the attached file to: Chris Horner, Competitive Enterprise Institute) (EPA-HQ-2017-007166), who has requested “copies of all impartiality determinations related to Lisa Heinzerling.”

None of the documents slated for release in response to either request have been identified for specific attention.

This release has been reviewed at the staff level by the Office of General Counsel, Ethics Office.

Based on a staff level discussion with OCIR, this information does not appear to overlap with any pending Congressional requests or to any Congressional requests to which we have recently responded, but this should be confirmed by OCIR leadership.
